The above-identified application is withdrawn from issue to permit re-opening of prosecution. See 37 CFR 1.313.

The above-identified application is hereby **withdrawn from issue**.

Subsequent to the mailing of the Notice of Allowability, a new issue was discovered that was believed to pose a significant bearing on the patentability of at least one claim pending in the allowed application. The above-identified application is being forwarded to the examiner for prompt appropriate action, including notifying applicant of the new status of this application.

If the issue fee and the publication fee have been submitted, the applicant may request a refund, or may request that the fee be credited to a deposit account. However, applicant may wait until the application is either again found allowable or held abandoned. If the application is allowed, upon receipt of a new Notice of Allowance and Fees Due, applicant may request that the previously submitted issue fee and publication fee be applied toward payment of the issue fee and publication fee in the amount identified on the new Notice of Allowance and Issue and Publication Fee Due. If the application is abandoned, applicant may request either a refund or a credit to a specified Deposit Account.

Telephone inquiries regarding this notice should be directed to S. Joseph Morano, Supervisory Patent Examiner for Art Unit 3617, at (571) 272-6684. Telephone inquiries regarding the status of the claims and other examination on the merits issues should be directed to the examiner of record, Stephen Avila, at (571) 272-6678.
